If the production requirements seem to be incompatible with the physical limitations of your venue, we will be happy to discuss possible solutions.

#### SCHEDULE FOR DAY OF PERFORMANCE:

- Load in 1 hour, 45 min. prior to performance (1 hour, 15 min. before house opens)
- Sound check 30 min. before house opens
- Strike and load out takes 45 min.

GROUND TRANSPORTATION: For bookings outside of Southern California, Southern Nevada, and Arizona, Razzle Bam Boom requires one small van or SUV to transport props and equipment.

STAGE REQUIREMENTS: minimum 26' wide x 21' deep – with stair access to audience.

LIGHTING: A warm wash. When budget permits, two follow spots with operators. Two specials to be set and determined during set up.

AUDIO: Performers will provide the laptop to run some prerecording audio orchestrations. For Southern Calif. venues, performers will also premix all their audio via an onstage mixer placed behind their own self standing backdrop.

#### EQUIPMENT TO BE FURNISHED BY PRESENTERS:

- (2) headset wireless microphones (performers furnish these in Southern California, Southern Nevada, and Arizona).
- (2) monitors – placed downstage left and right
- (1) 6 foot table (to be positioned behind the performers backdrop)
- (1) skirted table in lobby for CDs sales
- Performer will provide a guitar and chord.
- I/O boxes located upstage for performer's laptop connection (when performer supplies mixer – 2 XLR supplied by presenter)

HOSPITALITY: Presenting Organization agrees to provide:

- 2 bottles of water for each performance (for the stage)
- Coffee with cream and sugar on the side (for morning performances), fresh fruit, Diet Coke, Dr. Pepper, nuts, and muffins (bran, carrot, or zucchini muffins preferred).

DRESSING ROOM: One dressing room with a bathroom is required.

PARKING: For one vehicle.
