"The Character Show is an excellent assembly. Using song and humor, Mr. Thomas explains each of the six character traits to students at all grade levels. The show is fun, interactive, and engaging. He also addresses bullying and how students can help others who are being bullied. I highly recommend this show!"

~Kristen Nelson, Principal,
Las Palmas Elementary.

"Thanks for the incredible assembly! Our kids were engaged and entertained. We really appreciated the opportunity to include kids who are not always recognized! And, of course, the message was right on point! Thanks and plan to join us again."
