To Whom It May Concern:

It has been our great pleasure to bring Razzle Bam Boom to the Madrid Theatre several times over the past few years. Obediah and Mark bring an infectious wackiness that never fails to entrance our audiences both young and old(er).

I can confidently endorse these performers and their unique brand of music education. I look forward to working with them again in the not-too-distant future.

Sincerely,

A handwritten signature in red ink that reads "Denise Leader Stoeber". The signature is written in a cursive style.
