Dear Obediah:

The Valley Cultural Center is in the middle of its 30th season of *Concerts in the Park* at Warner Park in Woodland Hills and part of its success was due to you.

As a result of your performance at the Madrid Theatre, we had a tremendous response from the teachers, counselors, and parents asking us to continue to have quality shows such as yours.

Thank you for your contribution to the success of this summer's program. Please extend our gratitude to Mark as well. We look forward to having you come back in the near future. It was truly and exciting and enjoyable experience for all.

Yours truly,

Don Sweeney
Director of Operations
